THE KING.

Winnipeg, July 4.
London, July.—The bulletin regarding the King's condition this a. m. says: "The King had a good night and slept better than at any time since the operation. The wound gives less trouble and His Majesty's appetite has improved."

CANADIAN CONTINGENT.

The Canadian coronation contingent was entertained at Liverpool prior to leaving for home.

GRINNEE HAD TO QUIT.

Residents of White Horse, Yukon Territory, forced Chinese workmen to leave the place.

FOOTBALL.

The Shamrocks of Winnipeg and the Berlin football teams played a tie game.

MINISTER OF PUBLIC WORKS.

Hon. Mr. Tarte will be banqueted in St. Boniface on July 23rd.

THE PHILIPPINES.

President Roosevelt has issued a proclamation declaring that peace has been restored in the Philippines.

GENERAL.

English directors have voted £17,000 to develop the Elizabeth mine in the Seis river country, New Ontario.
D. McIntosh was re-arrested at Dauphin. He had escaped from a constable near MacDonald, Man.

J. J. Oradson met with a severe accident at Selkirk, while working in the C. P. R. well.

The foreign policy of the British government was criticised in the Commons by Dilke.

The search for the body of the late F. Pickles, drowned near Winnipeg was unsuccessful.

The yacht Tecumseh was selected for the Seiwankaka trial for races at Bridgeport.

Women propose to educate Sanford, the Paris, Ont., well hero, for the ministry.

The governor of a California goal was compelled to shoot mutinous prisoners.

The Canadian immigration returns for this year exceed 1901, by 15,490.

Montreal tax strikers attempted to cheat the tax examiners.

The steamer Troquois is aground near Port Arthur.

The Rely river at Lethbridge has risen 10 feet.

The Yukon gold output will be very large.

—On Tuesday morning an accident occurred on the Ross hill, which narrowly escaped being of a very serious nature. While Harry Hope, was driving up the hill accompanied by his wife and child he was met by a wagon loaded with lumber. The driver, one McDonald, had lost control of his team and jumped off the team continued their course at a rapid rate. Mr. Hope seeing that there was no hope of escape kept his team facing the danger. When the collision took place his buggy was overturned, his wife and child pitched out and his team fell on him kicking to free themselves of the debris. Mrs. Hope and child were not much hurt but "Harry" received a bad bruising and is out a buggy and set of harness.

—So far the town council has considered the following contracts in connection with the waterworks, and sewerage plants:—Laying water mains, sewerage pipes, etc., to Dobson, Jackson and Fry, \$29,742. —Miss Whitelaw and Miss McIntosh, of Guelph, Ont., arrived on a visit to their relatives, Dr. Whitelaw and R. McIntosh, of McIntosh & Campbell's, on Wednesday night's train.

—Miss Nettie Pollara's name was inadvertently omitted from the list of those writing for second class certificates in the examinations now in progress in Edmonton.

—D. H. Cooper, secretary of the Winnipeg branch of the National Trust Co., who was in town during the week, left on this morning's train.

Edmonton Fair.

WEDNESDAY, JULY 2nd.

HORSE RACES.

Shortly after 2 p.m. the starter called for the 2.18 trot or pace, 3 in 5.

Bay Nelson, Margorie and Gracie M. came to the wire. They got well away. At the half mile Bay Nelson led by half a length, but was overhauled towards the finish by Margorie who took first prize; Bay Nelson 2nd; Gracie M. 3rd. Time, 2:24.3-5.

Second heat.—At the half mile Bay Nelson led by a length, with Margorie next. The Bay trotted on in grand style throughout the heat and finished first, Margorie 2nd, Gracie M. 3rd. Time, 2:23.2-5.

Third heat.—In this heat Bay Nelson's boot came loose, this caused him to go off his feet and unseated him. Margorie took 1st place, Gracie M. 2nd and Bay Nelson 3rd. Time, 2:25.3-5.

Fourth heat.—When the horses came to the wire Bay Nelson's wheel was in distress; as there was no low wheel to be procured he was allowed to take a high one. In the first round he broke his harness. It seemed he had not recovered from the excitement of last heat, and galloped all the way, but stopped the moment he heard the bell. The heat went to Margorie, and Gracie 2nd.

Margorie took first money and Gracie M. and Bay Nelson second and third.

Farmer's trot or pace, 3 in 5.—After a great many attempts a start was made. A good heat closed with Bird 1st, O. C. 2nd, and George 3rd. Time, 2:48.3-5, a fast gait for the farmers.

Second heat.—At the half mile O. C. had the lead and held it to the finish. Minnie struck a clip on the second half and went a great gait, coming down the home stretch in fine style. O. C. 1st, Minnie 2nd, Bird 3rd. Time, 2:50.2-5.

Third heat.—In the first half Minnie got down to work but broke her hobbles and lost her feet. The others made a good race and finished with O. C. 1st, Bird 2nd, and George 3rd. Time 2:51.1-5.

Fourth heat.—O. C. went around in good shape. Minnie at times showed great speed but seemed to be bothered by her hobbles. O. C. 1st, Bird 2nd, Minnie 3rd.

O. C. took first money, Bird second, and Minnie third.

Quarter mile pony race.—Only two started. Buntz Hen had to let her own way in both heats, being too fast for Punch. Time, 1st heat, 26.3-4; 2nd 28.4-5.

Three-quarter mile dash.—A good sprint and fine finish, with Tosti 1st, Byrie 2nd; Emma G. 3rd. Time, 1.25.

During the afternoon the "Cycle King" appeared on the track and gave an exhibition which delighted the audience. His closing feat, a most difficult one, was performed on his wheel set upon a very unsteady table and elicited rounds of applause.

Dowker's wild west filled in the time between races, riding a broncho, Dowker himself rode a steer and very cleverly went round the track standing erect on the backs of two ponies at full gallop. This was the "piece de resistance," and was received with applause it merited.

Throughout the afternoon the band of the fire brigade furnished excellent music, under the leadership of bandmaster Clarke.

THURSDAY, JULY 3rd.

2.24 trot or pace, 3 in 5.—\$200.—4 entries. Ollie M., Ethel Kirk, Jimmy Mitchell, and Mambrino Chief.

First heat.—Ollie M. got a poor start, but by the end of the first half she was well up to Mambrino Chief, who led from the word "go"; all finished close together with Jimmy Mitchell 3rd, together with Jimmie Mitchell 3rd.

Second heat.—This was a good heat in which Mambrino, at the half, led by a clear length all finishing close together in the same order as in the first heat. Time 3:09.1-2.

Third heat.—Mambrino again had it his own way in first half with Jimmy Mitchell close up and Ollie M., next, this order was held to the finish. Time 2.40.

Mambrino Chief took first money, Ollie M., 2nd and Jimmy Mitchell, 3rd. Half mile heats, 2 in 3.—\$150.

First heat.—Mamie Mac, 1st, O'Connor, 2nd. Mamie was well ridden and passed under the wire in 32 seconds.

Second heat.—O'Connor had this all his own way, Mamie's jockey hearing the bell, rode accidentally, did not ride until too late. Time 52.1-2.

Third heat and final. O'Connor ran too strong for Mamie and got first money.

Free-for-all trot or pace, 3 in 5.—\$300. Margorie, Wood Lawn and Gracie M. started. In the first lap Wood Lawn broke, Gracie M. led, overlapped by Margorie, who soon after went off her feet and fell behind, but closed up very prettily and passed first under the wire

with Grace a close second. Time 2:25.1-2.

Second heat.—Margorie got the lead in the first half and held it down in good style, Grace and Wood Lawn, who was going, fought for second place, but tied. Time 2:24.1-2.

Third heat.—Margorie got a good lead and kept it, Grace 2nd, Wood Lawn 3rd. Time 2:25.1-2. The stakes going in the same order.

Novelty race.—Buntz Hen took the 1st quarter in 27.1-2 sec. but did not run on, Tosti galloped the half in 56, and finished in 1.54, and took the balance of the stakes.

Farmer's race.—In the first heat, Wild Jim got away quickly and kept clear of Byrie, who lost ground at the turn, though her jockey made a great effort to close the gap, followed by Fanny. Time 55 sec.

Second heat.—Byrie did not run, Wild Jim was an easy winner against Fanny, who got second money.

Consolation stakes.—This was a rattler. Stewart's Star and Fields' Beelzebub made an even start, both horses made a good race, Beelzebub winning by a neck in 57 sec.

EDMONTON BULLETIN JULY 4th, 1902

PELLY RIVER.

The hope of striking gold on the Pelly branch of the Yukon was one of the chief reasons of the rush to the Yukon overland from Edmonton in 1898. None was struck at that time, however, and very little prospecting was done by any of the numerous parties who passed down the river. All were in too great a hurry to reach Dawson to stop to prospect on the way. Latest advices from Dawson indicate a revival of interest in the Pelly river. The Dawson News says: Dawsonites are preparing to invade the Pelly basin this summer in numbers which indicate that the country is to be explored in some certain way after years of no attention. The first party that came into the upper Yukon, in 1883, spent a season in the Pelly and took out as high as \$10 a day in gold, and now new ventures are being directed to the stream.

A number of people in the city have been organizing to go up the Pelly and have secured the steamer La France to take them. The steamer will leave Wednesday and go 250 miles from the Yukon, which will take her to what is known as the Upper Canyon.

Harry Hamburger, the trader, will send 15 tons of goods in charge of Mr. Kalish, who will open a post on the river. W. D. Morgan, Jas. McLaughlin and John Rankin will go to spend two years at least prospecting in the country, and will take two tons of supplies for their own use.

For some time a number of people have been looking wistfully to the Pelly, and have been fascinated by the great unexplored basin, and have desired to go there to prospect, but these are among the first actual expeditions in late years to head up that stream. The Prospector made a short run up the Pelly last year, but did not go nearly as far as the La France is to go this time. Bab Henderson was in Dawson for 18 months trying to get an opening and spent much of the time endeavoring to induce the Canadian government to outfit him for an exploration trip up the Pelly, but failed, and left here a few months ago for Forty-Mile. Henderson believed there were good chances of finding something on the Pelly.

Thomas O'Brien, one of the oldest and best informed soundboughs of the camp, says that in 1883 a party from Juneau came over the Chilkoot and descended the Yukon and prospected on the Pelly and found gold in two places, and made as high as \$10 a day to the man on the lower Pelly.

SASKATCHEWAN VALLEY LAND COMPANY

Prince Albert Advocate.
Perhaps the most important real estate transaction that has ever taken place in Western Canada has just been announced.

A company known as the Saskatchewan Valley Land Company, composed of leading American and Canadian capitalists with a capital of \$3,500,000 is going into land dealing on an immense scale. The promoters are men high in financial circles in America. The president is Mr. Douglas, of the Douglas Mills, Minneapolis, and president of Quaker Oats Co., of Cedar Rapids, Iowa.

On the directorate are: Mr. Wells, of the Continental Packing House; Messrs. Manner and Piper, of Chicago Oil Co., Minneapolis; D. H. McDonald, of Qu'Appelle, and Mr. A. J. Admonson, banker, of Rosthern.

This company have acquired the entire land holdings of the Qu'Appelle and Long Lake Railway, amounting to over 1,000,000 acres.

The object of the company's operations is chiefly that of colonizers and will assist settlers to acquire homesteads on liberal terms.

About 120 agents are at present operating in various parts of the States impressing upon homeseekers the magnificent opportunities to be found in the Canadian west. In doing this the above gentlemen are supplementing the vigorous immigration policy of the Dominion government, a work which is building up and settling the Western provinces with a spirit unparalleled in Canadian history.

A great deal of credit is due Mr. A. J. Admonson, of Rosthern, who is the largest Canadian shareholder, also Mr. McDonald, of Qu'Appelle. Mr. Admonson in particular has shown an abounding faith and optimism in Saskatchewan and the west and his excellent work can not be over-estimated.

An enormous immigration is confidently looked forward to in the near future.

Regina Standard; Miss Erit Perkins, of Milestone, died in the Winnipeg general hospital last Sunday, having lived but twenty-four hours after an operation which had been performed for the extraction of a piece of vulcanized rubber which had become lodged in her throat. The young lady was only twenty-five years of age.

MORE IMMIGRANTS

Winnipeg Tribune; J. Obed Smith, Dominion immigration commissioner, this morning received advice that 893 immigrants for Winnipeg, arrived at Halifax on Friday on the steamship Bulgaria. They will likely arrive in the city on special trains on Tuesday and Wednesday. Of the total 893 immigrants, 854 are Galicians, while the balance is made up of Hungarians, Syrians and Russians. They will, on their arrival here, make arrangements to settle immediately in the Territories, where there is still considerable government land open for homestead. Governor of the Transvaal.

Pretoria, June 22—Lord Milner, the British high commissioner in South Africa, took the oath as governor of the Transvaal here to-day in the presence of a large assemblage of people. His Excellency, the governor, was heartily cheered by those present, and a salute in his honor was fired from the forts.

SOUTHERN ALBERTA IRRIGATION.

Within the irrigated area near Lethbridge it is estimated that fully 15,500 acres of land are under crop. Of this the Raymond and Magrath districts contribute about 5,000 acres each, Stirling 2,200, Lethbridge 1,800 and Spring Coulee about 1,500 acres. About 30 per cent of the entire area is in wheat, 5 per cent in barley, 5 per cent potatoes, and the balance in oats and grasses. At present the crops are most promising and notwithstanding the unusually late sowing, for this part of the country, are well advanced.

Three Strikes in Winnipeg.

Commercial, June 28.
There has not been much change in the labor situation at Winnipeg during the past week. The three strikes then in progress still continue. The Canadian Northern Machinists and wipers have had interviews with Wm. Mackenzie, the head of the system, and apparently got scant consideration from him; The men are busy organizing now, and promise interesting developments within a short time. They report that Mr. Mackenzie has thrown down the gauntlet to them, and has declared open war upon the unions. The company has not made a statement of its side of the case. The bakers of the city are going ahead with their co-operative bakery scheme, with the intention of competing with those master bakers who will not conform to union principles. The Paulin-Chambers dispute presents no new developments.

Belleville, Ont., June 23.—The annual commencement exercises of Albert college, of this city, is now going on. Miss Ethel Dixon, of Maple Creek, N. W. T., has won the McFee gold medal for elocution.

Edmonton Fair.

On the morning of July 1st, the sun rose in all his glory and to the satisfaction and delight of everybody, for this was a double event—Dominion Day and the opening of the fair.

At an early hour the farmer folks commenced to come in, these together with the numerous visitors, who had arrived by train the night before gave the main street a busy appearance. The hotels were crowded to their full capacity to accommodate the strangers who arrived on Monday, and who registered over 150 names. Soon gaily decorated busses appeared on the scene to carry the sightseers to the beautiful exhibition grounds on the river flat, which in the early history of the country was the camping place of Blackfoot and Cree Indians. The wigwam and travails have disappeared, stalls for stock, a grand stand and an oval race track, second to nothing in Canada west of Lake Superior, has taken their place. The exhibitors and competitors, both man and beast had entered into the spirit of the enterprise, for it is an enterprise and one on which the prosperity of a western city largely depends; the rest was with the elements and the public. Prospects for both were good and fully justified.

BALL GAMES.

The sports opened with a football match Edmonton vs. Lacombe, which resulted in a victory for Edmonton 8 to 0.

Fort Saskatchewan defaulted to Strathcona.

In the evening Edmonton met Strathcona. The latter carrying off the laurels with 4 goals to 0.

ATHLETIC SPORTS.

The athletic sports commenced with 50 yards race for boys under 12—7 entries.

Clifford Gaynor, 1st; Eddy McDougall, 2nd; K. Kinnaird, 3rd.

Standings long jump—3 entries. James McGee, 1st; 11 feet 10 in; Alf. Buckle, 2nd, 11 feet 3 in.

100 yards (amateur) 4 entries. E. Fletcher, 1st; R. Lyons, 2nd; Fletcher won easily in 11.1-5 sec.

Quarter mile open—3 entries; Mosewa, 1st; J. E. Craske, 2nd; Time 2:25-5 sec.

Running hop step and jump—3 entries; C. C. Skinner, 39 feet 5.1-2 in; E. Fletcher 37 feet 3 in; D. J. Lucy, 35 feet 10.1-2 in.

Putting 16lb. shot—5 entries. Montague McGillivray, 33 feet 10 in; P. Courtville, 32 feet 11 in; G. Erasmus 31 feet 8.1-2 in.

HORSE RACES.

The sports in the afternoon commenced with the 2:24 trot or pace, 3 in 5—\$200.

For this event there were 3 entries, viz: Herrick's Bay Nelson; Luroe & Skarrett's Wood Lawn and W. Stewart's Archie Kirk.

In the first heat the horses got away with a fairly good start, Bay Nelson being the first to strike a gait. Archie Kirk showed a game race while Wood Lawn was strong from start to finish. This was a good heat and finished with Bay Nelson 1st, Wood Lawn a good 2nd, and Archie Kirk 3rd. Time 2:27.

Second heat the horses were better together, Bay Nelson taking first place, half a length ahead of Wood Lawn and Archie Kirk a good third. Time 2:29.

In the third heat all got away well together and finished in the same order. Time 2:27-5.

Quarter mile running, open, 2 in 3, in heats—\$100.

The entries were Mamie Mac, George, Beelzebub, Bunty Hen, and Margarine. They got away together, Bunty Hen taking the lead and winning hands down; Mamie Mac 2nd and Margarine 3rd. Time 2:24-5 seconds.

The boy who rode the winner was belted to his mount, a practice which cannot be commended.

In the second heat, which was final, all the horses ran well, Bunty Hen winning easily, Mamie Mac 2nd and Margarine 3rd. Time 2:34-5 seconds.

Two-year old trot or pace, half mile. Jack Stewart and Nora Kirk owned by W. Stewart, two grand youngsters, much admired, were the only entries. Both horses behaved perfectly, but Jack, who seemed a little too strong for the filly, took the three heats in fine style, proving himself to be a level headed colt.

Time 1st heat, 1:36 sec; 2nd heat, 1:27-5 sec; 3rd heat, 1:25-5 sec.

For the half mile pony race, 3 in 3, in heats—There were 5 entries, viz: Emma G. (Ruled out, over height), Shoestring, Little Meteor, Punch and Fannie.

The first heat gave a good race. Shoestring, who made a fine finish, leading first with Fannie a close second and Little Meteor third. Time 53 sec.

The second heat was an unfortunate one. At the start Fannie had a slight advantage and pressed Shoestring, who had the inside, over to the pole, the boy rider, who evidently saw he could not crowd through, appeared to draw back to take the outside; the next horse caused him to lose his balance and he fell head over heels, the poor lad, strapped on, going underneath. Shoestring got up, now free from his jockey, who lay senseless on the track. The lad, a son of the owner, C. L. Mead, revived somewhat and was carried to one of the buildings. The extent of the injuries could not, however, be determined at once. Punch was awarded first place and Little Meteor 2nd.

After the finish Little Meteor, who was going lame, was examined, and the cannon bone was found to be fractured. Fannie's rider was ruled out.

BICYCLE, WILD WEST AND BAND.

During the intervals between the horse races, the time was filled up by an exhibition in bicycle trick riding given by E. J. Baiden and Dowker's Wild West Show. The former proved himself to be a rider of remarkable ability and an equilibrist of the first order. All his evolutions, which were performed with graceful ease and without failure, called forth rounds of merited applause. All monetary recompense was to come from the audience, as no arrangements were made with the committee further than the granting of permission to appear in the enclosure. Two of the feats on the wheel deserve special mention. In one the rider attempted to make a world's record of riding the half mile on one wheel.

Unfortunately the lead wheel came down, on the far side of the track, two or three times, though altogether 20 yards would cover the break; On completion of the half, 1 minute and 53 seconds was the time called. The rider had previously stated that the world's record was 2:04. The next exhibition was riding the half mile with back towards the handle bar, which was of course unguided. This was a faultless performance by a king of cyclists, who covered the distance in 2 minutes 34-5 seconds.

At an early stage Dowker got thrown from his horse; this rather cast a damper over this show. An exhibition in rough riding was given by one of the party, who also showed what he could do with the "rope." Whip swinging, where the operator cut twigs from the mouth of his partner, was good. Dowker rode a second horse to the satisfaction of the audience and gave some demonstrations in agility, for which he was applauded.

During the afternoon "our boys" under the leadership of bandmaster Clark furnished music of which not only the fire brigade, but the town as well, can be justly proud.

The weather was perfect throughout the day.

PRIZE WINNERS.

WHITE WHALE LAKE.

The change in the weather is most welcome. For weeks almost everything was at a standstill; but an occasional warm shower and bright sunshine will work a marvellous change.

On June 22nd, I saw a field of rye 71-2 feet high and all headed out,—a beautiful specimen. It is on the farm of Mr. Scheideemann on the river flat in tp. 51, range 3.

This week the settlers in the proposed White Whale lake school district meet to vote on the question of organization, election of trustees, &c. There is no opposition.

A settler on White Whale lake, 53-4, reports finding a 10 foot seam of coal on the lake shore.

Some settlers are going in on Cool Oil Creek, up the Saskatchewan, above Fraser's camp.

Another party of land seekers have been up in 53-4 and report finding a large area of country fairly well cleared, requiring very little labor to prepare it for the plow, plenty of wood and coal, an ample supply of excellent water, a wealth of small fruits, extensive hay marshes, with growth of grasses and peavine very luxuriant,—an ideal country but for one thing,—it lacked a six inch layer of black mould on top of the yellow clay loam! That leads me to ask—is the presence of a thick layer of black mould or humus an essential to successful grain growing? Of course we see it is very prevalent in Manitoba and the N. W. T., but it was not regarded as necessary in Ontario and in other lands. Why, then, here? Is it a fact, that the thick humus causes a continued growth of straw when the grain should be ripening, thus, making it liable to be struck by the early frosts in the fall? We should like to hear from other districts where they lack the thick humus as to their success in grain-growing and ripening.

The Stoney have been hard at work, under Mr. Blewett's leadership, making a new trail across the swamp on the reserve. The only trail giving a promise of permanence is one across a muskeg a half mile long, and here they are laying a solid corduroy of logs which, when completed, will make a lasting roadway. All other sloughs and creeks, across the reserve, have been put in good serviceable shape. This will be good news to prospective land seekers, for it makes travelling very easy now all the way to 53-4, west of 5th meridian.

The school on the reserve is open again, running half time, with a small attendance.
Mr. McLean, D. L. S., is now outlining township 53, range 4, planting the mile and half mile stakes on north and west sides of the townships, preparatory for subdivision.

NO HOMESTEADING ON ODD SECTIONS.
An Ottawa despatch to the Winnipeg Telegram, says: Orders have been issued from the crown lands department here, which will result in the retiring from the market of a very great portion of the government lands now open for homesteading purposes. The Northwest Territories and Manitoba will be chiefly affected.

A few months ago an order was issued by the department here to the agencies in the Northwest, with the object of discontinuing the sale of lands at the disposal of the Dominion government to speculators. This was accomplished by refusing land to any party excepting those taking it on homestead agreements.

The present order is to retire from homesteading the odd numbered sections remaining unsold. This practically means that half of the Dominion lands will be unavailable for settlers after this order goes into effect, which will be immediately.

The reason that this step has been taken has not been officially announced as yet, but it is understood that the government has special reasons for retaining control of a large tract of its land, which, under present conditions is rapidly being disposed of. An official announcement is expected later.

LANDS FOR SALE.
Tenders will be received, addressed to the Commissioner of Public Works, Regina, and marked "Tenders for purchase of lands," up to the 30th June next, for the purchase of the undermentioned lands, the property of the Territorial Government, tenders to state cash price per acre for the land to be sold, which sum will be payable upon notice to the highest tenderer of the acceptance of his offer. Purchasers will have to pay Local Improvement and School Rates for the current year on lands purchased. All costs of transfer will be borne by the Territorial Government, the land being transferred free of all encumbrances.

"WHAT HAPPENED TO JONES"

"What Happened to Jones" drew a
large crowd to Robertson Hall on Tues-
day evening last; The play is a side
splitting farce. It is the very funniest
of up-to-date plays and requires much
more than ordinary talent to do it jus-
tices. To say that the Edmonton and
Strathcona amateurs acquitted them-
selves well throughout is high praise,
but is richly deserved. The leading
and very difficult part of "Jones" was
taken by Mr. Barford. What Mr.
Barford lacked, if he lacked at all, in
representing the travelling salesman of
a hymn book house, who carried play-
ing cards as a side line, he more than
made up when counterfeiting the Bis-
hop of Ballarat. The dress and man-
ner was that of the bishop, but the
nerve was that of Jones, Mrs. F. C.
Jamieson, as "Cissie" the up-to-
date girl from San Francisco, was all
that the clever and difficult part re-
quired. Mrs. W. Hill, as Mrs. Goodly,
took her part with the grace and dig-
nity which it required. Miss Macdon-
ald, as Alvina, the spinster sweetheart
of the Bishop of Ballarat, who in com-
mon with Mrs. Goodly and her daugh-
ters accept Jones as the bishop, took
her most difficult part in a manner
that would have reflected the highest
credit on a first class professional ac-
tress. Miss Mann and Miss Bouchier,
as the Misses Goodly, looked and played
their parts to the life. Mrs. T. N.
Christie, as the Scandinavian maid-of-
all-work, showed herself an expert in
acting and in accent. Mr. C. V. John-
son, as Prof. Goodly, who has been in-
duced by his model prospective son-in-
law to attend a prize fight, and gets into
a most unfortunate and exciting mix-
up, was very good. Mr. Anson Dul-
mage as the prospective son-in-law,
whose desire for sport causes all the
trouble, looked well and played well.
Mr. H. B. Dawson, as the Bishop of
Ballarat and the victim of a most
unfortunate succession of circum-
stances, in all of which Jones figured prom-
inently, took up his thankless task
neatly and conscientiously as became
his cloth. Mr. Phillips as constable,
Mr. Norquay, asylum keeper, and Mr.
H. Greenwood, as the escaped lunatic,
for whom the unfortunate bishop is
mistaken, all did well. The audience
showed their appreciation of the play
and its presentation by the heartiest
laughter and applause.

The play was repeated on Wednesday
night.
